

Hi Everyone,

The Housing Committee will be meeting at the request of the Federal Heights neighbors to discuss issues and concerns raised by the recent application to subdivide a larger lot on Perry. The meeting will be taking place on Wednesday, 8/30 at 7 pm in Sweet Library.

Recently, several applications for subdivision in the avenues have attracted the attention (and concern) of the adjacent property owners. We will be discussing the possible common characteristics of the applications and properties of concern. We will also be reviewing the process of drafting and proposing changes to the applicable zoning standards.

Because this meeting was scheduled after the most recent Community Council meeting and it will take place before the next Community Council meeting, please help spread the word and invite any neighbors you know who might be interested in this meeting.

Thanks and we'll see you next Wednesday,

Shane Carlson
