Info from Kirk Huffaker about what to say to Federal Heights residents about the pluses and minuses of Historic District designation, and how to go about saying it.

Development of a "template" for an inventory that will establish the character of Federal Heights housing. I can already see it needs to be different from that of the Avenues generally. And I think we need to get busy doing this legwork while the weather is still temperate.

Do you think we should address space and trees in our efforts to define the character of Federal Heights?
