***Text of the Proposed SR-1 Overlay***

We carefully read through the text for the Proposed SR-1 Overlay and made minor wording changes to make the meaning clearer.

***Web Page***

Michael Hughes was assigned to check the web page to make sure the links worked so the information could be accessed. Lester Aoki will have the web page broken links fixed asap.

Shane was assigned to get the final text of the Proposal on the web page by Tuesday morning, February 28, 2006

***GACC Presentation on March 1, 2006***

1. 60 black and white copies of the Avenues HCC Overlay Summary for handouts
2. Color transparencies of the Avenues HCC Overlay Summary for use on overhead
3. Jim Jenkin – motion to accept proposal in it's entirety
4. Discussion
5. Vote
6. If it doesn't pass, make necessary changes and vote again.

***Next Meeting***

Monday, March 13, 2006

***Miscellaneous***

1. The official City building heights survey is 1½ weeks behind. The Planning Department is OK with the delay.
2. For our final document we need:
  - a. Title to include Avenues in it
  - b. Purpose statement using the Yalecrest Overlay as a guide
  - c. Resolution – Jim Jenkin wrote one months ago that Kat Kivit kept
