Submission deadline for all artwork is September 2nd!

The **People's Art Gallery** is a showcase for our community's artistic talent. Artists of all ages are invited to bring a work of art to display during the 2006 Avenues Street Fair. Artwork will be judged by the People's Art Gallery committee. Awards will be announced in four categories: Under 12 years, 13 to 18 years, Adult Amateur, and Adult Professional.

Here's how it will work: Artists will send us the submission form and a picture or description of the work. (Don't send the work itself!!!)

We must receive your application by September 2nd to prepare a display for all artwork. On the day of the Fair, artists deliver their artwork to the People's Art Gallery (near the GACC booth), by 8:30 a.m. for display during the Fair hours of 9:00 a.m. to 6:00 p.m. Art will be judged during the Fair.

Winners will be announced around 3:00 p.m. at the East stage. Artists may sell their work, but it must not be removed from the People's Art Gallery area until the Fair is over. All work not removed by 7:30 p.m. will become the property of the Gallery.
